MEMORANDUM

TO: Mr. Judson Lightsey,  
Personnel

FROM: General Counsel

SUBJECT: [REDACTED] STATOTHR

1. Enclosed are two copies of Form 57 and of Personal History Statement for [REDACTED], who STATOTHR was given these forms by your office. He forwarded them directly to me as he had come to this office for an interview. I told him at that time that we were not contemplating immediate expansion, and would not know our personnel requirements probably until after the first of the year. He is interested not only in this office, but in other divisions in CIG where his education and experience might be required. As noted in his 57, he wants a P-7 and I believe will stick to that as he is now a P-6 and, I gather, not too satisfied.

2. I have a record of the case in the event we may want to follow it up later on.
